Re: STB Docket No. AB-295 (Sub No. 7X) The Indiana Rail Road
Company – Abandonment Exemption – Martin and Lawrence
Counties, Indiana

Dear Secretary Brown:

The Indiana Trails Fund (“ITF”), which is a party of interest in the above proceedings, sends this correction to its letter of consent, dated July 28, 2011.

In the previous letter ITF consents to the change of railbanking from Milepost 262.50 to Milepost 262.11, in the City of Bedford.

In that letter of 7/28/2011, the Milepost of 262.50 was wrongly referred to as 252.50. Also Milepost 262.11 was inadvertently referenced as 252.11.

ITF sends this letter to correct these mistakes, and apologizes for these two errors. Further, ITF is serving this to Mr John Boadley, Esq., attorney for The Indiana Rail Road Company.

Sincerely,

Richard Vonnegut.

President
